

This is a detailed historical map of Maulburg, Switzerland. The map shows the town of Maulburg in the center, surrounded by various fields and forests. Key features include:

- Topography:** Contour lines are shown in the upper left, indicating a hillside. A river, labeled "Wiese", flows through the upper right.
- Infrastructure:** A railway line runs horizontally across the middle of the map. Several roads and paths are marked with arrows.
- Place Names:** Numerous locations are labeled, including Bruckmatt, Ackerlamatt, Schlagmatt, Harzfeld, Stockmatt, and various "matt" (fields) areas like Teufelmatt, Steigmatt, and Baumleimatt.
- Landmarks:** A large orange-shaded area is located in the lower right, possibly representing a specific land parcel or a different type of terrain. There are also several small circular symbols, some with numbers inside, scattered throughout the map.
- Map Style:** The map uses a combination of black lines for roads and railways, brown lines for contour lines, and various shades of green and orange to represent different types of land.
